About Hags on Nags.....

This event is sponsored by the **Hags on Nags Saddle Club**. Hags on Nags was created in June of 2002 by a handful of women in south central Wisconsin who decided to greet middle age by reclaiming their common passion for horses. As horse lovers who had found themselves "saddled" with family and work responsibilities, they were determined to make time for themselves. In a few short months, membership grew to include women of all ages and from all walks of life who continue to find common ground in their love of horses and close friendships. With members tired of rules and responsibilities, "Hags on Nags" is a loosely organized group whose main purpose is to have fun, learn more, and to "be there" for each other. We plan monthly events, focusing on trail riding but including parades, overnight camping trips, social events, fundraising, educational clinics and even our own little fun show, Hag-mania!

The Pink Ribbon Ride is dedicated to our former member and friend, Suzanne, who passed away six years ago from breast cancer. Please join us in this opportunity to make a difference.

Visit our website to learn more about the HONs, print pledge sheets, registration forms and view photos from last year!
